

# Conference Agenda

## Westin Immunogenicity Seminar October 16<sup>th</sup>, 2017

Hour	Presenter	Topic
9:40		Arrival, Registration, and Coffee (Sakura Room)
9:55	Steven Vessella EpiVax, Inc.	Introductions and Welcome
<b>Session 1: Determinants of Immunogenicity</b>		
10:00	Annie De Groot, M.D. EpiVax, Inc.	<i>Keynote Talk: Review: T Memory, Immunogenicity and Tolerance</i>
10:40	Annie De Groot, M.D. EpiVax, Inc.	<i>Applications to Biologics and Vaccines</i>
<b>Session 2: Induction of Tolerance</b>		
11:20	Eduardo Guillen, Ph.D. EpiVax, Inc.	<i>Identification of a Tolerogenic Peptide in Factor V</i>
12:00	Marieme Dembele, Ph.D. McGill University	<i>Antigen-specific Tolerance Induction in Allergy</i>
12:40		<i>Lunch (Bento box)</i>
<b>Session 3: Measuring and Modulating Immunogenicity</b>		
1:40	Vibha Jawa, Ph.D Merck & Co.	<i>Current Approaches to De-Risking Protein Drugs</i>
<b>Session 4: Immunogenicity and Tolerance in Immuno-Oncology Applications</b>		
2:20	Takuya Tsunoda, M.D. Ph.D. Showa University	<i>Impact of Checkpoint Inhibitors on Tolerance</i>
3:00	Annie De Groot, M.D. EpiVax, Inc.	<i>Personalizing Cancer Vaccines</i>
3:40		<i>Short Break</i>
<b>Session 5: Demonstration and Discussions</b>		
4:00	Frances Terry, M.P.H. EpiVax, Inc.	<i>Demonstration of In Silico Tools</i>
4:30	All Speakers	<i>Panel Discussion: Relevance of Today's Talks to Protein Medicine</i>
5:00	Speakers and Attendees	<i>Cocktail Reception and Networking</i>
